Buy One, Get One Book Fair

During our regular library time (1:30) on Monday, students will be able to purchase books at our "Buy one, get one free" book fair. \$5 is a good minimum amount to send, as there are less bargain books at this book fair. This is a great time to pick up some new books for summer reading!

Reading:

This week I began doing individual assessments to measure each child's reading accuracy, fluency, and comprehension.

Writing:

The students couldn't wait to share their animal research PowerPoints this week and watch their classmates' presentations. This was a complex project, and I am so pleased with everyone's hard work!

The Catch of the Week: Field Trip

On Thursday morning, we will visit Healthworks Museum in South Bend. If you have not yet returned the permission slip and \$3 fee, please do so as soon as possible. After the trip, we will return to school and have a picnic lunch in our classroom (or outside if the weather is nice). All students will have a school lunch that day.
