Parent Reading Concerns or Celebrations

Week of \_\_\_\_\_

Let's work together! Let me know how your child is doing in the areas of fluency, word solving, and comprehension.

**2<sup>nd</sup> Graders still have a lot to learn from more experienced readers. Each week, they should get a nice balance of the following kinds of home reading:**

Child reads independently.	Partner reading, -where child and adult read and word solve together, taking turns.	Adult reads aloud while child listens.
